

## The GO2 People appointed Exclusive Builder for the Leisure Development on Dirk Hartog Island - \$12.5 - \$16.5m Revenue

### Highlights

- The GO2 People's wholly owned subsidiary GO2 Building Pty Ltd has signed an agreement with DHI Development Pty Ltd.
- The agreement positions GO2 Building Pty Ltd as the exclusive registered builder for the Leisure Development Project on Dirk Hartog Island, WA.
- The project consists of 25-33 homes and is expected to generate \$12.5 – 16.5 million in revenue.
- Construction is expected to commence mid 2018.
- This project falls in line with The GO2 People's strategic plan to deliver high quality residential dwellings using its rapid building methodology.

Leading provider of vertically integrated recruitment and building services The GO2 People Limited (ASX:GO2) ('The GO2 People' or 'the Company') is pleased to announce that it has signed an exclusive agreement for its wholly owned subsidiary GO2 Building Pty Ltd ('GO2').

GO2 signed the agreement with DHI Development Pty Ltd ('DHI') and will now work with DHI to finalize the design covenants before entering into individual building contracts for each home.

GO2 will be engaged as the registered builder and principal contractor. The approximate total value of this project is \$12.5 - \$16.5 million in revenue, with an agreed margin in line with industry standards.

This project will mark the second significant project The GO2 People has been awarded since listing on the ASX in October 2017. Following initial pilot projects, GO2 was awarded a contract for the exclusive supply and install of 86 residential homes in Stage 1 of Meadowbrooke Lifestyle Estate [ASX Announcement: December 19, 2017].

This project falls in line with The GO2 People's strategic plan, which involves a focus on residential construction through the use of its rapid build methodology.

The GO2 People's Managing Director Billy Ferreira said: "We are thrilled to have been appointed as the exclusive builder for this development by DHI. Delivering this project for DHI will further strengthen our building division's position in the sector."

Geoff Wardle of DHI Developments commented: “ We are delighted to begin construction of Eco Villas in our world class Sunday Island Bay Development. GO2’s experience in remote and rapid construction, coupled with an eco-friendly approach, made it an easy decision to partner with them. We have been involved throughout the design process, and I’m confident these villas will capture the very essence of this world heritage island”
